

Aloha Kamilo'iki Community,

The Friends of Kamilo'iki PTO would like to thank the teachers, staff, parents, students, and Hawaii Kai community for all their support during this 2020-2021 school year!

Together we started this school year with families generously donating face masks and hand sanitizer for welcome back goodies. From the beginning you let our teachers and staff know that the Kamilo'iki community was here to support them!

Together we rallied to supply our classrooms with technology to facilitate distance learning (Apple TVs) and quickly ordered as well as installed desk shields on each desk to help ease both students and teachers into a safe return on campus.

In a year of true creativity and ingenuity, together we built community between students, staff and families through many virtual events. Monster Mash, Game Nights, Story Nights, Variety Show, Valentine and Earth Day events celebrated the diversity of our students and highlighted the support of the many adults who made them possible. Teachers reading stories, Mr. Yo leading games, parents teaching crafts, students sharing their talents and passions...and so much more!

Together we were able to support local restaurants with our monthly Take a Break Tuesdays. In turn the Hawaii Kai community gave generously to our Friends of Kamilo'iki PTO.

Together with your donated time, expertise, and/or financial contributions we celebrate 50 years of dedication to our keiki's education and growth.

Mahalo for being part of this journey, this community, and for everything you have done.

As we end the year, pause, reflect, and look forward to the 2021-2022 school year, we invite you to join us. Whether offering your time, skill, expertise, or feedback, we can only gain strength in unity.

Enjoy your summer break and we'll see you in August!

With Aloha, Darcy Kazarian, Friends of Kamilo'iki PTO President
